

Document References

The FS10 system is supported by the following documents:

Document	Description
FS10 Service Manual	Installation, wiring, commissioning, diagnostics, fault scenarios.
FS10 Datasheet	Technical specifications for power, detectors, aerosols, relays.
FS10 Firmware Update Guide	How to update firmware via BLE dongle and PC browser.
FS10 Installation Drawings	Mounting, spacing, cable routing (provided separately).
Aerosol Generator Documentation	Manufacturer data for individual aerosol devices (generic reference).
ISO 9094:2022	Standard for fire protection of small craft.
ISO 10240:2019	Standard for structure and content of shipborne user manuals (basis for this document).

Revision #2
